

MANUFACTURERS TO PROTECT DEALERS

Against the Collection of Revenue License on Ciders.

THE COLLECTION IS UNJUST

And R. M. Hughes & Co., Among the Largest Manufacturers in the South, Are Determined to Put a Stop to Interference by Officers.

The recent "raid" made upon dealers in cider in this city and section by a Deputy United States Marshal from Jacksonville has caused a flurry of indignation, not only among the dealers, who declare that the interference of government officers was unjust and unwarranted, but has attracted also the attention of the manufacturers, who are indignant over the action, and propose to stand by the certificate which may be found on each package of cider, certifying that the contents are not intoxicating, and do not require an internal revenue license.

R. M. Hughes & Co. of Louisville, Ky., who are among the most extensive manufacturers of vinegar and cider in the South, and of which company J. C. Rhodes of this city is president, have been enjoying seventy-five per cent of the business of this territory, and naturally feel by the action of this officer that they have been damaged, as the dealers in many instances have been intimidated. This firm recently experienced the same trouble in Tennessee, and in The Chattanooga Times the following affidavit from R. H. Geiger, secretary and treasurer of the company, appeared:

"Notice to All Retail Grocers.

"Read the following carefully:

"Louisville, Ky., March 30, 1905

"I, R. H. Geiger, secretary and treasurer of R. M. Hughes & Company, incorporated by and under the State laws of New Jersey, hereby certify that our Wino's are prepared according to the formula submitted to the Honorable Commissioner of Internal Revenue J. W. Yerkes, Washington, D. C., October 6th, 1903, and the goods do not contain distilled spirits or alcohol.

THE REAL TEST

Of Herpicide Is in Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vipers may look nice and smell nice, but the point is—do they eradicate Dandruff and stop falling hair? No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Wakefulness and Nervousness Cured

Dear Mrs. Pinkham:—Last spring, I lost my appetite, had headaches, and bearing down pains with cramps so that I was in perfect misery. I became wakeful and extremely nervous.

I decided to try Lydia E. Pinkham's Vegetable Compound, and am pleased to state that I derived immediate benefit and soon enjoyed permanent relief.

Within eight weeks I was restored to normal health and felt refreshed and strengthened as though I had enjoyed a lengthy vacation.

Since that time I have recommended your Compound to a number of my lady friends suffering with female irregularities, and those who have used it report great benefit from its use.
